Easter Sunday of the Resurrection of the Lord

Christ, our paschal lamb, has been sacrificed; let us then feast with joy in the Lord.

"Faith in the Resurrection of Jesus says that there is a future for every human being; the cry for unending life which is a part of the person is indeed answered. Through Jesus we do know 'the room where exiled love lays down its victory.' He himself is this place, and he calls us to be with him and in dependence on him. He calls us to keep this place open within the world so that he, the exiled love, may reappear over and over in the world.....God exists' that is the real message of Easter. Anyone who even begins to grasp what this means also knows what it means to be redeemed." (Pope Benedict XVI.)
