FEAST OF THE TRANSFIGURATION OF THE LORD

This is my beloved Son, with whom I am well pleased; listen to him.

Christ's Tabor radiance is a kind of mirror in which we glimpse the glory that God wills to give his friends. The resplendence of the Transfiguration reveals the fullness of life destined to be ours. The Transfiguration invites us to configuration. As we peer into the glory that pours from every pore of the transfigured Christ, we cast off everything unworthy of our personal relationship with the Infinite, and we take on the luster of the Son of God. Jesus gazes back at us with a luminous look of love that makes us desire to live his transparent beauty-to be luminaries. Silently from Tabor's splendor, the savior begs: "Become what you behold!"
